## School Newsletter

issue 3

Dear Parents and Carers,

We are now at the stage of crisis where children are at risk due to reckless driving and cars being parked dangerously. Cars are now mounting the kerbs in order to bypass parked cars. Please, please can everyone support us in order to avoid one of our children being hit by a car. Emergency vehicles would not be able to assist our school or residents living within Old Heathfield due to delays, which would undoubtedly put lives in danger.

The Options are:

- **We have contacted 'The Half Moon Inn', Old Heathfield.** They have offered our parents to utilise their carpark at drop off and pick up times. Please treat the carpark with care and respect. We are extremely grateful for their goodwill gesture.
- Parking at the top of the hill beside the swing park where there is more room to park.
- Parking at the bottom of school hill and walking up to school.

Please **do not park at the bottle neck** leading up to the school. This is a narrow, dangerous area and will lead to congestion and worse still, a child being struck. Please see photo of this area.

Today we have contacted Highways Department and the Police in order to address our concerns. They will be visiting our site and addressing our concerns. In the meantime, we all need to take responsibility to safeguard our children.

Thank you

Mr Davison

Head of School

I have  
**FOOD  
ALLERGIES**  
Don't Feed  
me!

We have a child at school who has a nut allergy. Please can parents ensure that packed lunches do not contain any form of nut ingredient. Thank you

Best of luck to our finalists at the Beacon Academy Cross Country Competition!

### Sparrow Hawks report on Satellite Crash in ASSR Playground

Last weekend a satellite crashed in our school's playground. Budding journalists from Sparrow Hawks class have been investigating and reporting on this shock news. Keep an eye out on the website for all the latest information as it develops!

Please see our website for more details of our activities, vegetable patches, class topic work, photographs, events and inter school dodgeball competition.....

## The Big Draw @ HCC today for Buzzards children

Buzzards will be going up to HCC this afternoon along with several other schools in the Wealden area. Secondary Art teachers will be joining the children, for a fantastic creative project!! Watch this space.....

Thank you to the parents who came along to the AGM. It was lovely to see some new faces.

During the last school year PTA, with your help, managed to raise £3500

This was done through various events.

Autumn party, Beauty and the Beast Spring Fair, movie nights, Christmas present sale, Christmas Market stall, and ice pop sales to mention a few.

And we have been able to help fund the PE shed, money towards the fence around the new pond, Christmas gifts and birthday books for all the children, a contribution towards a Greek day, Year 6 leavers event, and the fruit for all keystone 2 pupils throughout the whole year.

A new team of parents are preparing to take the lead and once these people are officially elected in they will be introducing themselves to you all.

There are plenty of new and exciting plans so do remember to jot them down as soon as they are mentioned. To help with communication not only is there a PTA Facebook page but there will be classroom reps for a point of contact for parents and teachers.

First on the agenda is an Autumn Party on 17th November straight after school so pencil it in your diaries now. More information will be out soon.

Thanks Rachel Windus
