## School Newsletter

12<sup>th</sup> January 2018 – New  
Term!

Dear Parents and Carers,

Happy new year everyone, I trust you had a relaxing and peaceful Christmas. It is great to have all of our children and families back at school and the place is buzzing with hard work and happy voices.

We are pleased to welcome three new children into our family this term. We hope Toby, Katie and Summer will be very happy at ASSR.

The value of the week in Collective Worship is 'Responsibility'. We have been focusing on this across the whole school and I have been really impressed at how well the children have responded. I have overheard them talking about being responsible for and caring towards others. We will be celebrating this with gold awards focusing on this theme on Friday.

Thank you for your continued understanding and awareness of our parking and traffic issues. I am in touch with the authorities and will be asking for further support to help ensure the safety of our children as they come into school and leave. Please could anyone who needs to speak to the office or leave a message etc at the beginning of the day do so as they walk back out through the side gate. Any visitors who are entering the school will need to sign in and out for safeguarding and fire safety reasons.

Many thanks

Mr Davison
